**Dear members, friends of the AG Urodela,**

Surely you have all already booked accommodation for our extended Gersfeld weekend (21.-23.10.2021), if not, now it's time to do so.

Even if the incidences are rising and the fourth wave is slowly emerging, we are hopeful that we will be able to host the meeting of our AG-Urodela this year despite Corona.

Of course, we have to adhere to a Covid hygiene plan and have therefore rented the Stadthalle this year and not the Bürgersaal as lecture venue as before. The Stadthalle is located under the same roof and, with over 700 square meters, offers enough space for distance between seats and, more importantly, enough air volume and air exchange for long lectures. At 4 x 3 m, the projection screen is much larger than in the Bürgersaal.

We will also use the Bürgersaal, only this time as the expo room, for the "Amphibienbörse für unsere Mitglieder, Freundinnen und Freunde der AG-Urodela" on Friday, 22.10.2021, 13:00. (Admission for providers from 12:30 pm).

**For a speedy admission to the venues, we ask you:**

- provide up-to-date evidence of vaccination, recovery or a test. A test is (currently) only possible in Gersfeld on Tuesday and Thursday. The next test center is in Fulda.  
<https://buergertest-fulda.de/>
- we will submit the addresses registered with AG-Urodela to the Health Department for follow-up.
- for all members of the AG-Urodela (DGHT members) we will prepare a name tag and an admission wristband.
- for all friends of the AG-Urodela who have already paid their entrance fee, we will also prepare the name tag, the admission wristband and the two 2021 "amphibia" editions.
- **all undecided or spontaneous guests of the conference of the AG-Urodela should quickly transfer the conference entrance fee for 2021, so that there is no queue at the entrance!**

**Important: The AG Urodela has a new bank account!**

The new account of the AG-Urodela is:

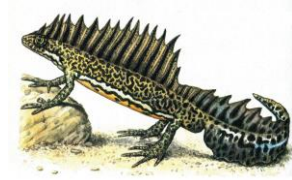

KRISTINA BURCHARDT (AG U)  
Sparkasse Hochfranken  
BIC: BYLADEM1HOF  
IBAN: DE8578050000222815821

Alternatively PayPal: [duamger@yahoo.de](mailto:duamger@yahoo.de)

Please also change your standing order to this new account, or set it up for this new account!

This year, board elections are scheduled for the AG-Urodela. Members of the DGHT are entitled to vote and eligible to be voted. Date: Friday, 22.10.2021, 5:30 pm.

After the Schloßbräu was closed for the last conference in 2019, Kaufmanns have now taken over the restaurant since the beginning of 2020. <https://kaufmanns-am-schlosspark.de/>

Mr. Kaufmann will reserve places for the convivial evening hours according to his spatial possibilities and will also take over the break supply during the conference with coffee, cake and drinks.

This will be followed by a separate e-mail in the next few weeks, where you can reserve seats and choose between menu suggestions. We are very happy to have found Kaufmann's restaurant for our evening cozy get-together, because due to corona all Gersfeld restaurants have reduced space capacities.

In the attachments you will find the most important of the conference, the conference program with a thematic block on Israel. We can expect a promising, varied and tightly timed sequence of lectures, discussions, elections and the animal exchange.

We look forward to seeing you again in Gersfeld!  
The Board of AG-Urodela
